

Scouts donate harvest to MadCAAP | Members of Cub Scout Troop 184, sponsored by Highland Presbyterian Church in Ridgeland, show off part of the vegetable crop they harvested from the Ridgeland "Sow & Grow" Community Garden. The troop, led by Ashley Burton, planted the vegetables in April, and donated the summer crop to MadCAAP. Those interested in planting a fall garden should call Ridgeland City Hall at (601) 856-7113. Scouts (from left) Zack Watkins, Alex Burton, Ricky Marcellus and Konner Dill display their vegetables to Canton MadCAAP Community Garden members Karen Robinson and Harold Wal-drop.
